

Until we meet

Until we meet each other again X3
A piece of you 'll keep in my heart x2
Until we meet each other again X3
A piece of you 'll keep in my heart x2

Until we sing together again X3
A piece of you 'll keep in my heart x2

Until we dance together again x3
A piece of you 'll keep in my heart x2

Until we laugh together again x3
A piece of you 'll keep in my heart x2

Until we meet each other again X3
A piece of you 'll keep in my heart x2
Until we meet each other again X3
A piece of you 'll keep in my heart x2
